Serving Our Community

www.saintlukemensclub.com

Open to adult men (over 21) of every faith, the St. Luke Catholic Men's Club is a nonprofit organization established in 1959. Named after Saint Luke, patron saint of physicians, surgeons, students, butchers and artists, our name reflects our membership's diverse talents. Our members share a fellowship that respects race, socio-economic status and political affiliations. Through annual events, special projects and social activities, our members promote spiritual well-being and contribute toward the general welfare of our club, our parish and our community.

Events and Activities

- Monthly Membership Meetings
- Wild Game Dinner
- Sharing of Gifts Banquet
- Annual Dinner Dance
- Fall Dove Hunt
- Group Sporting Events

Group Sporting Events

Throughout the year, our entertainment committee selects exciting sporting events for membership to attend, such as professional basketball and baseball games.

Wild Game Dinner

On the first Saturday of March, more than 100 club members contribute their time and talent to this extravagant event. Established in 1975, the Wild Game Dinner is the club's major fundraiser and primary source of donations to the parish and local charities. Six-hundred guests enjoy a selection of wild game including venison, seafood, turkey, quail, hog, deer sausage, fresh vegetables, homemade desserts and other culinary delights. During the evening, raffles and auctions of paintings, collectables and outdoor sporting equipment add excitement for hunting, fishing and camping enthusiasts.

If you are interested in volunteering, attending or donating an item for this event, please contact

WildGameDinner@saintlukemensclub.com

Sharing of the Gifts

The St. Luke Catholic Men's Club assists the needy by sponsoring life-enriching organizations. The Sharing of Gifts Banquet is our opportunity to invite select charitable organizations and ministries to share a banquet with our membership and personally receive the monetary support earned through the club's labors.

Fall Dove Hunt

Annually, our members are invited to enjoy a fall dove hunt. Volunteer cooks prepare a special mealtime feast on the club's fully stocked outdoor barbecue trailer. Members and guests share fellowship and hunting stories throughout the day. Activities include competitive skeet shooting and a bird hunt.

Annual Dinner Dance

This gala event at the St. Luke Family Center welcomes members and their spouses or guests. The catered dinner includes raffles and a program awarding Lifetime Membership status to distinguished club members. The evening concludes with live music and a dance in the company of friends.
